Amendments to the Drawings :

In FIGs. 7 and 8, layer 11 has been inserted between layers 12 and 21.

## REMARKS

Examiner's ruling with respect to the restriction of claims has been duly noted. Claims 18 – 34 have, accordingly, been canceled. A divisional application will be filed at the appropriate time.

Corrected drawings have been provided for FIGs. 7 and 8 and are attached.

In the specification, 23 KG has been corrected to 24 KG in the places pointed out by examiner; CoNiFe is now correctly spelled as is the word 'seen'.

Claims 1, 4, 8, 9, and 17 have been amended to correct the errors pointed out by examiner.

We wish to thank Examiner for identifying these deficiencies in our application and respectfully request that a timely Notice of Allowance be issued in this case.
